

# Introduction

The Delegation of the European Union to North Macedonia and European Investment Bank, in cooperation with the artists from the Association of Fine Artists (Друштво на ликовни уметници на Македонија - DLUM), is organizing this humanitarian fundraising exhibition in solidarity with the victims of the devastating fire in Kochani.

This initiative brings together the creative power of the national art scene with a shared commitment to support those affected by the tragedy. Each artwork included in this catalogue is available for purchase, with all proceeds being donated to Kochani victims through the Red Cross.
